

**REMARKS**

Appreciation is expressed for the indication of allowable subject matter within the claims.

The foregoing amendment is presented under 37 C.F.R. § 1.312, and is made after allowance but before payment of the issue fee. This amendment corrects minor oversights in claim 9, namely:

“insert” in claim 9, line 31 is deleted, and “remove” is inserted in its place; and

“from the first mode to the second mode” of claim 9, lines 32-33 is deleted, and  
“from the second mode to the first mode” is inserted in its place.

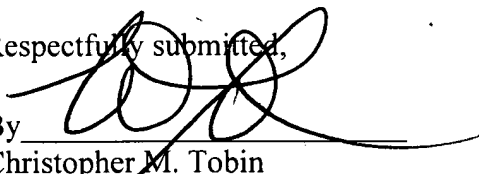

*No new matter has been added.* Support for the correction of these oversights is found in claim 3 which recites features similar to those recited in amended claim 9. Accordingly, entry of this Rule 312 is believed to be warranted.

If the Examiner has any comments or suggestions that could place this application in even better form, the Examiner is requested to telephone the undersigned attorneys at the below-listed number.

Applicant believes no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 18-0013, under Order No. WEN-0032 from which the undersigned is authorized to draw.
